

When the Old Wagon Breaks

Come in and get one of our lines of Studebaker—the kind that stands up. If you have much hauling to do a Studebaker will pay for itself in a few months by saving you time and trouble and the expense of constant repairs.

You Know the Studebaker Wagon

For more than fifty years its reputation has grown better every year. This reputation is due to the good quality that has always been a part of the Studebaker Wagon. Each part is made from the lumber that is best fitted for that part. New England black birch makes the best hubs for the Studebaker hubs are made of it. Put up, second growth black hickory is the best for spokes and running gear—that is what is used in the Studebaker Wagon. The Studebaker Wagon is Perfect in Every Detail.

That is why we sell it. Come in and let us talk it over. We have some interesting wagon books for every one.
